**The Unfolding of Awareness and
Intelligence**

**CONSCIOUSNESS RESEARCH FOUNDATION
4th INTERNATIONAL BIENNIAL CONFERENCE**

...Living peacefully, intelligently and spontaneously in
accordance with your understanding.

- Investigating
The limitations and dangers of a life controlled
by the ego and dominated by thought.
- Exploring
The implications of living alertly, intelligently and
holistically, not as an idea or an ideal but as a
reality.

Facilitators from: Spain, Holland, India, UK and USA
committed to understanding and living life to the
fullest.
